The student residence halls and other facilities on the campus of Marmara Education Village are located among the pine trees at the very heart of nature, and are just in 25 -minute distance to downtown Maltepe. The halls, have an accommodation capacity of over 504 students and are three-storeys each, with 2 flats on each floor facing one another. The accommodation comprises of flats for either two or three students with each having their own single or shared study bedroom and shared kitchen and bathroom facilities. All flats have 24-hour hot water, kitchens, bathrooms and a common recreation room. Students can also benefit from a prepaid landline and for those who care to bring their own laptops can also benefit from wireless internet

free of charge. Heating, electricity and water bills are also included in the fee. Cost of meals are not included in the room fee. The students who are staying at the halls are given beds, lockers, sleeping sets, pillows, blankets. Other equipment to be used (kettle, sandwich maker) should be provided by students.

<b>Full Boarding</b> <b>(Breakfast-Lunch-Dinner)</b>	<b>Half Boarding</b> <b>(Breakfast-Lunch)</b>
---	--

5.550 TL+KDV

4.600TL +KDV

Each room is furnished with an individual study desk, a wardrobe and a bed. Each flat, comprises of three rooms in which one or two students can be accommodated. A private cleaning staff ensures that the rooms and all shared common spaces maintain a high level of hygiene. The dormitory book of regulations and the contracts are to be signed by the students when they register.
